Student Safety

The number one priority of the Wooster City School District is to keep our students safe while providing a world-class education. Through partnerships with the Wooster Police Department and other local law enforcement agencies, we have developed a comprehensive crisis management plan to protect our students and staff in the event of an emergency.

The district has also implemented a Safety Hotline as a means for residents, students or staff to anonymously report any activity which may pose a threat to persons or property within the district. The school district supports a “see something, say something” philosophy. Reporting concerns can be done by calling 330-988-1111 ext. 1112 or by visiting the Wooster City Schools’ website and clicking on the Safety Hotline link.

Wooster Way

The Wooster Way empowers the whole person, creating a culture that embraces diversity and promotes the development of social, emotional and physical wellbeing of students and staff members.

- Has 2 special education vans
- Drives 179 routes with buses and 2 routes with special education vans
- Makes 1,978 school bus stops per day
- Drives a total of 2,071 miles per day

Bus routes and additional transportation information can be found on Wooster City Schools' website by clicking on the Transportation link.

Curriculum & Activities

The Wooster City School District begins preparing students for college and career readiness as early as elementary school. The district also offers students gifted and advanced courses and provides best-in-class artistic and athletic programs to develop well-rounded individuals.

ADVANCED PLACEMENT (AP) COURSE OFFERINGS

Advanced Placement (AP) courses bring the college experience to high school students, with the opportunity for them to earn college and university credit. AP classes are rigorous and designed to prepare students for college-level coursework. The Wooster City School District has one of the most robust AP programs in the county, offering the following courses:

- Biology
- Calculus BC
- Computer Science A
- English Lit. & Comp.
- European History
- German
- Physics II
- Physics C - Mechanics
- Seminar

COLLEGE CREDIT PLUS

Students may enroll at any state university or participating private college, and participate in College Credit Plus. Students must declare their intent and be enrolled in the college they want to attend. Some students remain at Wooster High School and receive both high school and college credit. College Credit Plus course offerings may vary each school year.

International Baccalaureate

TRI-COUNTY INTERNATIONAL ACADEMY
AND INTERNATIONAL BACCALAUREATE ORGANIZATION

Wooster High School, working collaboratively with the Tri-County Educational Service Center and other local schools, offers the globally recognized International Baccalaureate (IB) Programme. IB is an academically balanced two-year program with final examinations that prepare students in grades 11 and 12 for a successful college and/or university experience. By completing this course of study, students may be awarded scholarships, college credit and advantageous admission consideration to prestigious institutes of higher education.

The IB Diploma Programme is a total program taught at an advanced level, similar to Advanced Placement (AP) courses. The students experience coursework in:

- English
- Second Language (Spanish, German or French)
- Social Studies (History of the Americas including Government)
- Science (Chemistry and/or Advanced Biology or Physics)
- Math (Algebra II required)
- Theory of Knowledge
- Extended Essay Research Project

Students will also engage in activities that involve creativity, action, service (CAS Project), understanding how learning takes place and extensive research.

Successful completion of this program will result in earning two diplomas: Wooster High School Diploma and the International Baccalaureate Diploma.

Preschool and Student Services

LITTLEST GENERALS PRESCHOOL

The Littlest Generals Preschool program operates six half-day (AM/PM) sessions for three and four year olds. Our 5-Star Step Up To Quality-rated classes are taught by certified teachers who use Ohio's Early Learning and Development standards to provide an engaging and developmentally appropriate curriculum. Emphasis is placed on meeting the individual needs of students, as well as social and academic growth. For additional information about the Littlest Generals preschool classes, please contact 330-988-1111 ext. 1241.

STUDENT SERVICES

The Wooster City School District provides extensive programming and services for all students along a continuum of settings.

Teacher-based teams co-plan to co-serve through proactive instructional practices for each student. Curriculum and instruction is rigorous, culturally responsive and universally designed. Research-based methodologies are implemented to enhance the instruction of all staff working with students presenting with academic, social, emotional and/or behavioral needs.

Preschool through grade twelve integrated services include Applied Behavioral Analysis, Speech and Language Therapy, Audiology, Occupational Therapy, Sensory Integration, Physical Therapy, Community Based Instruction, English Learner Language Services, Psychological Services, Guidance Counseling Services as well as Clinical Counseling.

Wooster City Schools contracts with Akron Children's Hospital for nursing services. A Registered Nurse is available for each building within the district. In partnership with the Wayne County Department of Job and Family Services and local counseling agencies, clinical counseling is also available in each building.
