### Final Notes

This trip is not required for students to attend. It is solely the decision of the parent or guardian. If you do not want your child to attend, simply send a note to the office so we can document your request. Students who are not attending for any reason should still plan to attend school and they will be supervised during the school day.

A BIG THANK YOU goes out to our Edgewood PTO and Wooster City Schools Board of Education for paying for students to attend this trip at no cost to families! Any support that families and students can provide through the fundraiser is greatly appreciated!

Should you have any questions at all, please contact Mr. Spreng at [wstr\\_cspreng@woostercityschools.org](mailto:wstr_cspreng@woostercityschools.org).

Have a great day!
