

School Health Services

Dear Parent/Guardian,

In partnership with Akron Children's Hospital, Health Heroes, Inc will be offering the Tdap & Meningitis vaccination clinics at Wooster High School and Edgewood Middle School. These vaccinations are **REQUIRED** for school enrollment by the State of Ohio.

Who should get Tdap and/or Meningitis vaccinations?

- All rising 7th graders (both Tdap & Meningitis vaccinations are required)
- All rising 12th graders (Meningitis vaccinations are required, 2nd dose)
- Any 8th - 12th students who did not receive these vaccinations in 7th grade

Clinic times for your school/district are:

- April 30
- WHS Morning
 - Edgewood-Mid-Morning

What does your child/children need to do to participate?

- Parent consent form filled out COMPLETELY and signed (***if student requires both, then he/she will need 1 form for each type vaccination**)
- Return consent form(s) to your school prior to the

DUE DATE of APRIL 12

It is very important that you return your consent form(s) to your student's school **no later than April 12**. This helps us provide sufficient staffing for our teams, as well as secure the vaccine for your student(s).

Who is Health Heroes, Inc.?

At Health Heroes, we specialize in on-site vaccination clinics. Vaccines are provided at **NO COST** to students, parents, schools or local/state government. We bill both Medicaid and private insurance; however, we never bill students or parents for any out-of-pocket expenses or deductibles. Qualifying uninsured students can be given the vaccine, free of charge. **Although student participation is voluntary, these vaccinations are required for school entry by your state.**

If you have additional questions or concerns, please contact Health Heroes at 1-205-609-0268/al@healthherousa.com. For further information, you can also visit our website at www.healthherousa.com.

Warmest regards,

Liberty Duke, CEO
