

Wooster City School District

Inspiring World-Class Academic Achievement

JOB DESCRIPTION: SUPERINTENDENT/CEO

RESPONSIBLE TO: Board of Education (herein referred to as “Board”)

DEFINITION:

The Superintendent of Schools is the Chief Executive and Administrative Officer of the Board. The Superintendent reports directly to the Board, has all powers and duties imposed upon the office by statute, and has all executive and administrative powers and duties in connection with the overall operation of the schools (which are not required by statute to be exercised directly by the Board or by some other officer). The Superintendent exercises leadership through school administrators who comprise the *Cabinet* and *Administrative Team*.

MAJOR POLICY RESPONSIBILITY:

The Superintendent of Schools initiates and recommends policies for approval by the Board and develops policies recommended by the Board. Following approval of policies by the Board, the Superintendent is responsible for implementing policies and ensuring that the overall operation of the schools adheres to established Board policies. The Superintendent shall affect the position responsibilities by delegating, at his/her discretion, said responsibilities to assistants and subordinates with the knowledge that the delegation or power or duty does not relieve the Superintendent of final responsibility for the action taken under such delegation.

KEY FUNCTIONS:

A. VISION, CONTINUOUS IMPROVEMENT, AND FOCUS OF DISTRICT WORK:

Superintendent shall establish a vision, expect continuous improvement, and develop a focused plan for achieving district goals. Effective superintendents facilitate the establishment of a vision for their districts. They articulate this vision clearly, creating a description of what the district can become. This vision drives the district’s work.

Representative Elements:

1. Develop a shared vision for the district.
2. Expect, model, and support the effective use of data.
3. Create and execute a coherent plan with a limited, achievable number of goals and objectives.
4. Implement the district plan and monitor the strategies and activities for achieving the goals and objectives.

5. Communicate the district's vision, goals, and focused plan.
6. Engage the Board and key staff in a process that identifies objectives details activities, resources, timelines, standards, and monitoring processes necessary for completion of the district objectives.
7. Provide regular and year-end reports on progress.

B. COMMUNICATION AND COLLABORATION: Effective superintendents have processes in place to:

- Facilitate communication and collaboration with the board of education and the district treasurer,
- Establish and maintain effective relationships with school personnel, and
- Engage the external community.

Effective superintendents recognize the importance of involving multiple stakeholders to make informed decisions, communicate processes and celebrate accomplishments. To gain and maintain support for these improvement efforts and to sustain the focus on the goals, effective superintendents must communicate effectively with staff and stakeholders.

Representative Elements:

1. Demonstrate communication competence with all stakeholders.
2. Develop, implement and maintain effective communication systems.
3. Communicate effectively and openly.
4. Demonstrate a willingness to collaborate with the board of education, the district treasurer, the district staff, and external stakeholders.
5. Keep the public and staff informed about current educational practices, educational trends, policies, progress, and challenges in the District's schools.
6. Assess public and staff beliefs about matters pertaining to the schools.
7. Promptly respond to staff and community concerns.
8. Execute activities that build and sustain positive community engagement.
9. Establish rapport with the media.
10. Promote understanding, appreciation, and use of the community's diverse social, cultural, and intellectual resources.

C. POLICIES AND GOVERNANCE: Effective superintendents identify, prioritize, recommend, and follow policies and governance procedures that maintain a focus on the central goal — *Mission Statement*. Effective superintendents recognize the moral imperative to ensure the success of every child and recommend and enforce policies and governance practices accordingly. Effective superintendents value the importance of an effective working relationship with the Board and enlist the Board's support for district goals.

Representative Elements:

1. Review, develop and recommend policies for the district.

2. Implement and continuously assess policies and practices.
3. Identify and respond to societal and educational trends that affect the district and community.
4. Advocate for children and families.
5. Model and expect professional conduct.
6. Prepare and submit to the Board recommendations relative to all matters requiring Board action; placing before the Board such necessary and helpful facts, information, and reports as needed to ensure the making of informed decisions.
7. Prepare the agenda for Board meetings, attend and participate in all meetings of the Board and its committees, (except when own employment or salary is under consideration) and participate in all Board deliberations, with no voting power.
8. Keep the Board informed.

D. INSTRUCTION: The Superintendent leads the creation of instructional systems designed for high student achievement. The Superintendent shall place a primary focus on improving instruction and enhancing student learning. As an instructional leader, the Superintendent shall create a district culture and expectations that support effective data-based decision making at all levels of the system. The Superintendent shall work with district and building administrators to identify, collect, analyze, and use relevant data to identify strengths to sustain and weaknesses to address. The Superintendent shall promote, support and use research-based best practices for curriculum design and instruction.

Representative Elements:

1. Require district-wide use of an established curriculum.
2. Ensure the development and implementation of high-quality, standards-based instruction.
3. Set expectations for and guide the creation of a comprehensive academic assessment system for the district.
4. Ensure that the district curriculum, instruction, and assessment program are designed to provide full access and opportunity to all students consistent with available resources and legal mandates.
5. Provide for high-quality professional development for all staff aligned with district, state and applicable national standards.
6. Promote the use of effective and appropriate technologies to support teaching and learning.
7. Oversee and supervise extra and co-curricular programs in the district.

E. RESOURCES: Effective superintendents intentionally focus financial, human, time, material, technological and facility resources in support of district goals for instruction and achievement. Superintendents take actions to achieve district goals. They support individuals at all levels in the district and assume that the central office is a support and service organization for the schools. Effective superintendents organize the district to provide leaders appropriate authority

within their schools to make decisions and implement initiatives. To allow for this to happen successfully, superintendents allocate adequate and equitable resources across the district.

Representative Elements:

1. Recruit, develop, evaluate and retain quality staff, and oversee human resource management.
2. Organize calendars and schedules focused on district goals.
3. Manage and prioritize fiscal resources to align expenditures with district goals
4. Identify and equitably allocate materials and technology to support district goals.
5. Oversee the district's facilities and operations.
6. Assign and transfer employees as the interest of the district may dictate.
7. Provide and implement a plan of assessment and evaluation for employees of the district as well as personally assess and evaluate select administrative personnel.
8. Provide a process for the creation of the annual tax budget and appropriation budget; recommend them to the Board for approval.
9. Recommend to the Board tax millage needed to maintain the district's educational programs and provide leadership to tax levy campaigns.
10. Provide bidding, purchasing, and accounting procedures that are cost effective and efficient.
11. Provide appropriate regulations for the use and care of school properties.
12. Manage and supervise the transportation of students and provision of food services.
