

School Improvement Plan

School:	Wooster City School District
Annual Objective:	Improve student growth on AIR assessments in grades 3-12. All students meet or exceed 1 year growth annually.
Goals:	<ol style="list-style-type: none"> 1. Establish a math committee and provide professional development opportunities in the content area of math. 2. Create a PK-12 culture of literacy (year 3) through the use of a balanced literacy framework and ongoing professional development. 3. Standards review, data analysis and vertical alignment and evaluate resources/curriculum in all content areas.

What Principles of Practice will guide our approach?
Instruction is premised on a rigorous core curriculum across all grade levels and all student abilities.

Action Steps	Possible Barriers / Capacity Considerations	Who will be responsible for completing this step?	Monitoring Procedures (with frequency)	By when?
